Publications Books published: 2 as single author and 9 coauthor, 1 chapter from the book at the international publishing house, 209 scientific published papers, 21 are ISI peer reviewed, 188 BDI journals, 50 as first author and 138 co-author
 Citations in ISI articles: over 60 citations
 Citations in journals included in the BDI: 53 citations

1.10.2003–1.12.2004 **Training programme** in the field of animal microbiology, necropsy, parasitology, virology, PCR and qPCR), within Laboratoire D'analyses de L'allier Moulins, departament Allier-FRANCE.

1.02.2003 – 1.07.2004 Postuniversity **Training programme** in bacteriologic, serologic and immunoenzyme diagnosis at FVM Cordoba-SPAIN,

2006 – **Summer school** "Functional genomics in cancer therapy and biology"

2007 - **Training programme** "Molecular techniques in parasitologic diseases diagnosis"

20012 – **Training programme** "MRSA antibioresistance (Methicillin Resistant Staphylococcus aureus) and ESBL in human and veterinary medicine;

2004, 2012 and 2014 - Socrates-Erasmus **teaching programme**, FVM Cordoba-SPAIN

2004 - Socrates-Erasmus **teaching programme**, FVM Murcia-SPAIN.

2014 – Socrates-Erasmus **teaching programme**, FVM Milano-Italy

2.05.2014 - **Invited lecturer** in a seminary at College of Veterinarians in Cordoba- Spain with the subject: "Staphylococcal Pyoderma in Dogs: Diagnosis and Treatment"

23.09.14 **Invited lecturer** in a seminary at FVM Milano-Italy with the subject:"Update on bacterial and viral zoonoses in livestock of Romania and neighboring countries".

24.09.14 - **Invited lecturer** in a seminary at FVM Milano-Italy with the subject: "Bacterial causes of bovine mastitis,,"

6.06.15 -13.06.15 - **Invited lecturer** in a seminary at Università degli Studi di Bari - Italia with the subject: "Diagnostic and treatment in staphylococcal dermatitis in dogs"

15.09.15-21.09.2015 - **Invited lecturer** in a seminary at University of Veterinary and Pharmaceutical Sciences Brno - Cehia, with the subject: "Update on viral zoonoses in livestock of Romania and neighboring countries

22-25.05.2017 Training Workshop, „VET Labs Eastern Europe”, Bordeaux and Lyon, France;

22.11.2017 Workshop „ Skills and competencies needed on the labor market”, USAMV Cluj –Napoca, CNFIS-FDI;

Managerial skills

Participation in the Management of European Projects (European Project Management), held in the USAMV Cluj-Napoca, 19 to 23 November 2007;

Participation in the academic curriculum Management (within the project of European university education in the field of veterinary medicine), held in Bucharest USAMV November 26, December 3, 2010;

Training Workshop "Bioethical approaches & Responsible conduct in Translational Research", Cluj-Napoca, Romania, 27-30.10.2015;

The completion of the "Project Manager" program conducted by authorized by the National Authority for Qualifications, Cluj-Napoca, 28.11-16.12.2016;

2018. 04. 10-20 training course "Bachelor of Veterinary Medicine" at the University of Lyon - VetAgro Sup – France

Projects

Manager or responsible in international projects:

COST CA16110 - *Control of Human Pathogenic Micro-organisms in Plant Production Systems (HUPLANTcontrol)*-2016-2020

Manager or responsible in national projects:

Proiect AG 128 Veterinary Summer Camp in Cluj-Napoca – JRVETCAMP, Junior Romania Secondary Education Project – ROSE 2019-2021;

Project: "Establishment of veterinary services company", financing application F06400000041561300233, project tender M6.4-01 / 15, 2015-2018;

Research Project 5958 / 04.05.2016 "Study on the microbiological quality of natural antiseptic and cosmetic products."

Research Project 3566 / 10.3.2016 "Increasing microbiological quality of raw materials and finished products used as dietary supplements"

Research project no.42 / 2009 "Study on pathogenicity of staphylococci isolated from powder used as raw material in food "

Research project CEEX 61/03. 10. 2005 "Post-translational control of gene expression in malignant tumors. RNA interference in cancer biology and treatment "

Expert (responsible) scientific in national contracts with private partnership: - 8 contracts;

Memberships

Member in international projects

Grant nr.: 1-AT01-KA203-004984/2015, Internal Quality Management: Evaluating and Improving Competence-Based Higher Education

Assessing the effectiveness of a product (Shield Plus) in infection with Salmonella enteritidis in broiler chickens. Research and consultancy project, Romania-France (Roullier group) partnership;

Programul de cercetare international, COST 833, British council grants for research links with Romania in environmental science: Wound myiasis of Livestock in Romania,

Member in national projects

CEEX 185/2006 Viasan: Helicobacter infection in humans and animals: possibilities of transmission, implications for human and veterinary pathology, typing strains, antibiotic resistance
PN-II-IN-CI-2013-1-0072, Research for developing a biodegradable product based on Propolis applicable for baths to prevent and metaphylaxis limb disorders in cattle;
PN-II-IN-CI-2013-1-0072, Research for developing a biodegradable product based on Propolis applicable for baths for preventing hooves diseases in cattle;
PN II no.148 / 2014; The decrease in milk contaminants by elaborating and developing innovative products with maximum efficiency in controlling mastitis;
CNCSIS

Member in 14 research teams in CNCSIS type A, CEEX and PN2 programmes;
Membership in scientific in national contracts with private partnership - 20 contracts

Member in professional societies**Member in national professional societies**

-Veterinarians College from Romania
-General Association of Veterinarians from Romania (AGMVR) Member since 2007
-Romanian society of compared pathology and experimental medicine – Founding Member

Member in international professional societies

Asociation pour l'Etude de l'Epidemiologie des Maladies Animales
Society of Medicinal Plant and Natural Product Research

Administrative positions

- Dean at the Faculty of Veterinary Medicine - 2018 and present
- Member of the executive committee and coordinator of region 3 in The European Association of Establishments for Veterinary Education (EAEVE) since 2019 and present
- Vice Dean at the Faculty of Veterinary Medicine - 2016 -2018
- Director of the Paraclinical Department within FMV --2012-2016
- Coordinator of the Master of Applied Epidemiology 2010-2012
- Coordinator of the "Applied Microbiology" research laboratory at the Institute of Life Sciences (ISV) from 2017 and current
- Company administrator of SC FITSANVET SRL since 2012 and current

Member of the editorial board of the journals

Editorial board member in the "Bulletin of University of Agricultural Sciences and Veterinary Medicine Cluj-Napoca. Veterinary Medicine
Member of the editorial board of Advances in Microbiological Hazards and Biotechnologies
Member of the editorial board of the Journal of Bacteriology and Vaccine Research

Distinctions

Paul Ringer Award granted in 2009 for Veterinary Immunology by the Academy of Agricultural and Forestry Sciences "Gheorghe Ionescu -Sisesti"
• Diploma of Merit "Eugen Mureşan" for outstanding results obtained in teaching and research, awarded by the management of FMV Cluj Napoca.
• Diploma of Excellence and Special Pro Invent Award at the international invention show Pro Invent 2016: for "Gel for mastitis - Apifitomast"
• Diploma and Award "Professor Bologna" for 2010.

3.05.2020
