Personal information

First name(s) / Surname(s) **Dorian Gorgan**
Telephone(s) 0040 264 401478 (office), 0040 723 367181 (mobile)
Fax(es) 0040 264 594491
E-mail dorian.gorgan@cs.utcluj.ro
Home page <http://users.utcluj.ro/~gorgan>

Desired employment / Occupational field

Professor in Computer Science,
 Computer Science Department, Technical University of Cluj-Napoca
 PhD Supervisor in Computers and Information Technology, since 2007
 Chair of the "Computer Graphics and Interactive Systems" Research Group (CGIS), <http://cgis.utcluj.ro>,
 Editor in Chief of the "Romanian Journal of Human-Computer Interaction", <http://rochi.utcluj.ro/rrioc>,
 President of the ACM-SIGCHI RoCHI national organization.

Work experience

Dates	1882 - onwards
Occupation or position held	Professor (since 1998), Reader (1995-1998), Lecturer (1990-1995), Assistant Professor (1982-1990).
Main activities and responsibilities	Teaching Computer Science. Courses: Fundamentals on Computer Graphics, Graphical Processing Systems, User Interface Design, Interactive Systems, Computer Architectures, Digital System Modeling and Simulation, Microprocessor Based Systems, Digital Computers and Data Processing, and Computer Programming, Operating Systems and Software Development Methodology.
Name and address of employer	Technical University of Cluj-Napoca
Type of business or sector	Computer Science Department
Dates	2001 – 2003
Occupation or position held	Technical and scientific consultancy in Autodesk Inc, Milan, Italy
Main activities and responsibilities	Project Management, Technical and Product Design, and Software Development Methodology in the domain of Location Based Services (LBS), Geographical Information Systems (GIS), and Wireless Applications through projects between Autodesk and Fiat, and TIM Italy
Name and address of employer	Autodesk Inc
Type of business or sector	Scientific consultancy
Dates	1980 - 1982
Occupation or position held	Research engineer
Main activities and responsibilities	Software and hardware design in the field of digital circuit testing, and data processing and communication
Name and address of employer	Enterprise for Industrial Electronics and Automation (IEIA) in Cluj-Napoca

Type of business or sector	Research and computer engineering
Education and training	
Dates	1996 - 1997
Title of qualification awarded	Postdoctoral research, ERCIM fellow
Principal subjects/occupational skills covered	Graphical User Interfaces and Multimedia Systems
Name and type of organisation providing education and training	Informatics Department, Rutherford Appleton Laboratory (RAL), United Kingdom
Level in national or international classification	European Research Consortium for Informatics and Mathematics (ERCIM)
Dates	1990 - 1994
Title of qualification awarded	Ph.D.
Principal subjects/occupational skills covered	Graphical Modeling and Simulation, Visual Programming, and Graphical User Interfaces
Name and type of organisation providing education and training	Technical University of Cluj-Napoca
Level in national or international classification	Doctoral research
Dates	1975 - 1980
Title of qualification awarded	Engineer in Computer Science and Automation
Principal subjects/occupational skills covered	Computer Science and Automation
Name and type of organisation providing education and training	"Politehnica" University of Timisoara
Level in national or international classification	Technical University
Professional abilities and competences	
Awards and prizes	<p>"Excellence in Research" award, Technical University of Cluj-Napoca, 2012.</p> <p>"Best Awareness Level in FP7-ICT Grant Schemes and Current Projects in Software Services", Prague, 2011.</p> <p>Title of "Profesor Visitante Ilustre" of Pontificia Universidad Católica de Valparaíso, 2009.</p> <p>1st Prize for the First Articulated Mobile Robot controlled by microcomputer (PETRICA), designed and built in Romania. Bucharest 1980.</p> <p>Numerous prizes at national and university olympiads in Mathematics, Physics, and Computer Science and Engineering.</p>
Professional organizations	<p>President of the RoCHI organization, ACM SIGCHI in Romania, Chief Editor of the Romanian Journal of Human-Computer Interaction.</p> <p>Member of IEEE, ACM, IFIP TC13, ICT EU Expert for FP7, CNCSIS Expert.</p>
Visiting Professor and professional visits	University of Geneva (CH), Pontificia Universidad Católica de Valparaíso (CL), University of Plymouth (UK), University of Exeter (UK), Università degli Studi di Catania (I), Università degli Studi di Torino (I), (ERASMUS-SOCRATES Programme), Free University of Amsterdam (NL).
Scientific events	<p>Training and Tutorials:</p> <p>Giving training and tutorials in the fields of Big Data Processing on High Performance Computation Architectures (HPC) in the fields of Earth Sciences and Earth Observation: Brussels (Belgium), Berlin (Germany), Prague (Czech Rep.), Istanbul (Turkey), Erevan (Armenia), Thessaloniki (Greece), Batumi (Georgia), Sofia (Bulgaria), Novi Sad (Serbia), Rabat (Morocco), Delft (The Nederland), Geneva (Switzerland).</p> <p>Member in the Review Committee of Journals:</p>

	Computer Standards & Interfaces, Journal of Network and Computer Applications Environmental Modelling and Software, Journal of Supercomputing, Computers & Geosciences, Journal on IEEE Transactions on Parallel and Distributed Systems, International Journal of Digital Earth, Romanian Journal of Human Computer Interaction, Hydrology and Earth System Sciences Journal, International Journal of Advanced Computer Science and Applications (IJACSA).
Domains of interest	High performance computation, Cloud and Grid computing, cluster and grid visualization, user interaction techniques, computer graphics, graphical user interfaces, distributed interactive systems, virtual world modeling, Earth Science oriented tools and applications development.
Scientific advice and work experience	Coordination of projects and research in the fields of: distributed interactive systems, grid and cloud computing, high performance computation and visualization, computer graphics, graphical user interfaces, web technologies, geographical information systems (GIS), location based services (LBS), satellite image processing, wireless systems, active object based modeling, virtual world modeling, visual programming, human computer interaction, computer architecture, image processing and pattern recognition, operating systems, spatial databases, computer aided education, distributed learning, fuzzy logic, microprocessor based architectures, computer aided design of electrical circuits, robotics, and programming languages.
University and scientific cooperation	<p>FP7 Projects:</p> <p>IASON - Fostering sustainability and uptake of research results through Networking activities in Black Sea & Mediterranean areas, http://www.iason-fp7.eu/, Funded by the European Commission (2013 - 2015).</p> <p>EnviroGRIDS - Building Capacity for a Black Sea Basin Observation and Assessment System supporting Sustainable Development, http://www.envirogrids.net/. Funded by the European Commission (2009 - 2013).</p> <p>mEducator - Multi-type Content Repurposing and Sharing in Medical Education, http://www.meducator.net/. eContentplus - Digital Content and Cognitive Systems Programme funded by European Commission (2009-2012).</p> <p>SEE-GRID-SCI - SEE-GRID eInfrastructure for regional eScience, http://www.see-grid-sci.eu/. Funded by the European Commission (2008 - 2010).</p> <p>Research of Excellence Projects:</p> <p>BIGEARTH - Flexible processing of big earth data over high performance computing architectures, http://cgis.utcluj.ro/projects/bigearth, ROSA STAR project (2013-2016).</p> <p>PECSA - Experimental Computer Services Platform for Scientific and Entrepreneurial Development, http://cgis.utcluj.ro/pecsa, PN-II-PT-PCCA-2013-4-1976, (2014-2016)</p> <p>GiSHEO - On demand Grid services for high education and training in Earth observation, http://gisheo.info.uvt.ro/. Funded by European Space Agency through PECS Programme (2008-2010).</p> <p>MedioGRID - Parallel and distributed graphical processing on GRID structure of geographical and environment data, 19CEEX-I03 (2005-2008).</p> <p>Socrates Minerva, COST Projects:</p> <p>KEYSTONE, COST Action IC1302: Semantic keyword-based search on structured data sources, 2013-2017. Member of the Management Committee.</p> <p>ComplexHPC, COST Action IC0805: Open European Network for High Performance Computing on Complex Environments, 2009-2013. Member of the Management Committee.</p> <p>I-TRACE - Interactive Tracing and Graphical Annotation in Pen-based e-learning, 223434-CP-I-2005-IT-Minerva-M (2005-2007).</p> <p>TEMPUS Projects:</p> <p>S_JEP 11248-96 "ROCOCO" (1996-1999, main proposer and local coordinator in the Technical University of Cluj-Napoca).</p> <p>IMG-94-RO-1029 (1995), individual mobility to Rutherford Appleton Laboratory (UK).</p>

S_JEP 08337-94 "IARCOD" (1994-1997, local coordinator in the Technical University of Cluj-Napoca).

Publications

More than 19 books and more than 340 papers and presentations in the fields of high performance computation, computer graphics, interactive systems, graphical user interface, computer architectures, and computer programming languages.

Papers (20 selected papers)
